New for 2020 - In order to determine the financial impacts associated with the Covid-19 Pandemic, we are requesting owners to file their 2018-2020 Federal Schedule E or Federal Form 8825, as well as a copy (first page) of the current lease. The goal is to have accurate data to determine the effect of this pandemic on property values. We are requesting that any available forms be filed as soon as possible and updated as completed. Please feel free to contact us with any questions or concerns. We appreciate your cooperation in this effort!
